
Michigan's Multi-Tiered System of Supports Technical Assistance Center

September 22, 2023

Dear Katherine Bertolini and Maple Valley Schools School Board:

Congratulations on your ongoing efforts to implement a Multi-Tiered System of Supports (MTSS)! Specifically, your district has been recognized for MTSS implementation in the following areas:

MTSS Data Utilization

Your district has earned the MTSS Data Utilization award for collecting and using the **District Capacity Assessment** during 2022-2023.

Michigan educators work tirelessly on behalf of learners and do so much that is worthy of celebration and acknowledgment. The MiMTSS Recognition process provides one way to shine a positive light on work happening within the state related to implementing an MTSS framework to meet the needs of all learners. Schools, districts, and intermediate school districts (ISDs) were eligible for two types of MTSS Recognition during 2022-2023 to reflect a range of successes: 1) MTSS Data Utilization and 2) MTSS Implementation and Impact. This recognition process is based on information housed in the [MiMTSS Data System](#), and all criteria are posted on the [MiMTSS TA Center website](#).

Next Steps

We encourage you to share this information and celebrate with your district community! To assist you, we've posted some ideas on the [MiMTSS TA Center website](#) for how you can promote your recognition in different formats (e.g., website badges, community announcements, and social media). Later this fall, we will post a list of all recognized ISDs, districts, and schools on the MiMTSS TA Center's MTSS recognition page.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Kimberly A. St. Martin".
